

Time and Talent Survey

At Covenant Lutheran Church, our mission is to Love God, Love Others, and Serve with Joy! To aid us in that mission, we would like to put together a list of people's interests, gifts, and talents that they may be willing to offer in service of God and others at Covenant. If there are areas that you may be willing to serve in from time to time, please let us know! We do not currently have needs for all of these areas, but it is so helpful to know who we can ask when a need arrives. If you are already serving in one of these areas, please also mark that. It will greatly help those that organize events and ministries to have all of this information in one place. It is a joy serving with you!
